#### Hunter Course - 28 Targets

This 28 target course provides archers with spot targets on the first half and animal targets on the second half. This course has flatter terrain with shots up to 60 yards. At target #12, the trail splits and the archer may choose to complete the short course or to shoot the additional 10 targets of the long course.

#### Field Course - 14 Targets

This course provides archers the opportunity to practice shooting at spot targets set up to 80 yards.

#### Animal Course - 14 Targets

This course provides archers the opportunity to practice shooting at animal targets set on flatter terrain, with shots of up to 60 yards.

#### Known Distance Practice Range

This range provides the opportunity for archers to practice at fixed distances from 15 to 60 yards. This range has a shade canopy, tables, and lighting. There is one "Cub Target" for the kids.

#### World Archery Range

Street Street

STOP

This range is for World Archery Practice ONLY. Formerly called FITA

#### Upper Hill Course - 14 Targets

This course is set with animal targets amid steep terrain with challenging shots of up to 60 yards. Follow signs at the start of the Upper Hill Course.

#### Lower Hill Course - 14 Targets

This course is set with spot targets providing archers the opportunity to practice by shooting targets at a variety of angles and distances up to 60 yards. Follow signs at the start of the Lower Hill Course.

#### Broadhead/Crossbow Long Range

This range provides opportunity for archers to practice with broadheads and crossbows at fixed distances from 20 to 100 yards. This range has a shade canopy and tables. Targets are provided. There are limited number of broadhead targets. Please use the appropriate ones. Crossbows can only be shot here and on the walking courses. This range is often closed for tournaments, please check our website for closures.

#### Family Range

This range is designed for kids and families. Bows with a draw weight of 40 pounds or less are permitted on this range. This range may also be reserved for educational/coaching groups.
